Report of Director and School Improvement Council

Serving the three high schools in Sumter County, Sumter County Career Center continues to enjoy a positive relationship with its business and industrial partners. We continue to develop positive relationships with our stakeholders in the community. We participated in the school district community outreach program of Principal For a Day, in which a key community member came into the school to see what the day in a life of a principal is like. The principal remains actively involved with the Industrial Association. We received additional grant funding for our Green House Project, and the construction of the state-of-the-art building is complete. We continue to place emphasis on instructional rigor, and we have worked diligently with the guidance counselors to insure that enrollment of students at the Career Center meet specific prerequisites for enrollment. Our faculty and staff participated in our district wide focus on effective teaching practice, through professional development, while also analyzing our student data by developing our building data teams.

We continue to bring in guest speakers from the community to the campus to address the students, and they are encouraged to participate in a number of community development activities such as nursing home visits, fundraisers for the American Cancer Society and the American Heart Association. Our welding class participated in the Skills USA event in Greenville and placed second in the state for team fabrication. We also have several students in HOSA, from our Health Sciences class, who will be competing at the national competition in Nashville this summer.

Our partnership with Central Carolina Technical College remains strong. We had several students from our ECE class dually enrolled, and they received post-secondary credit during the school year. We are excited that several more students have passed their entrance test for CCTC and will also enroll this summer and fall

The administration and faculty of the Sumter County Career Center continue to be very proud of the many accomplishments of our students. The students we serve have come to understand the importance of a combined academic and technical education, our community has become very supportive of the career Center, and we expect this trend to continue to grow over the coming years.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Sumter County Career Center school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
